Summary

Front-End Developer skilled in React.js and React Native, turning Figma designs into responsive, scalable, and efficient interfaces. Experienced in Next.js and modern deployment pipelines, passionate about creating seamless user experiences.

Skills

Frontend & UI: React.js, Next.js, React-Native, Javascript, HTML, CSS, Bootstrap, Figma

Tools & Version Control: Git, Netlify, Vercel, VS Code

Database: MySQL

Experience

Freelance Front-End Developer

November 2025 – November 2025

AB Institute (Remote)

Tools Used: React.js

- Developed a responsive and feature-rich LMS dashboard UI using React.js, and Tailwind CSS, ensuring a clean and modern user experience.
- Implemented modular and reusable components for course listing, E-reader page and notification updates.
- Integrated frontend with real-time webinar & Zoho Meeting APIs, enabling dynamic rendering of upcoming sessions directly within the dashboard.

Freelance Front-End Developer

September 2025 – October 2025

Golicit Services (Remote)

Tools Used: React.js

- Collaborated directly with the design team to convert a full Figma library into a complete component-based application using React.js.
- Executed pixel-perfect implementation of the startup's corporate website, focusing on responsive design principles and cross-browser compatibility.

Freelance Front-End Developer

February 2025 – May 2025

EMA (Remote)

Tools Used: React.js

- Architected a responsive and scalable user interface (UI) using React.js, CSS, and Bootstrap for a major platform active in 45+ countries.
- Boosted code efficiency and maintainability by implementing React Hooks for sophisticated state and lifecycle management.
- Optimized performance and ensured cross-device compatibility by developing a reusable, standardized component library.

Projects

Pet Care App | Figma, React-Native

May 2025 – Present

- Led the UI/UX design using Figma and implemented the cross-platform front-end in React Native.
- Developed modules for grooming, vet appointments, and food supply management.

Education

Bachelor of Technology (B.Tech) in Computer Science and Engineering

2020-2024

The Neotia University, Kolkata

CGPA: 8.22 / 10

Senior Secondary (XII)

2020

HOLY MISSION SECONDARY, Patna

Percentage: 71.8%
